PortAventura World, 31 July 2025.- Vacation planning is no longer about splitting interests by age, but about uniting them. Families are now seeking destinations where everyone can enjoy themselves without compromises, and on that new travel map, **PortAventura World** stands out as a destination that thrills everyone from the youngest to the oldest family member. Three theme parks—PortAventura Park, Ferrari Land, and Caribe Aquatic Park—six immersive hotels, and a renewed summer schedule make the resort the perfect place to create unforgettable family memories.

A proposal designed for generational togetherness

For those visiting with children, a must-see is **SésamoAventura**, a universe of gentle rides and shows that spark imagination. While adults alternate that festive atmosphere with the adrenaline of **Shambhala**, **Furius Baco**, or the dark ride **Uncharted: The Enigma of Penitence**, grandparents find in PortAventura World the perfect place to enjoy at their own pace. Beyond the joy of seeing their grandchildren having fun, they can also enjoy the experience their own way: strolling through themed worlds full of surprising details, discovering family-friendly shows like **A Penitence Love Story**, **Fiesta Mexicana** and **Magic Bubble**, or riding the leisurely train that travels around the park.

The resort's dining options are also designed to bring all generations together at the table, whether it's at a self-service venue with live entertainment like **La Cantina** in the heart of Mexico, at the more refined **Racó de Mar**, or with practical, tasty menus for the little ones between rides. With dozens of food outlets spread throughout the resort, every meal becomes a time to share and enjoy.

This summer, PortAventura World also offers exciting nights for the entire family. Each day, the park lights up with magical shows like **FiestAventura**, a nighttime lake show featuring lights, music, and beloved characters that mark the perfect end to the day. As a special offering, the resort introduces **Moonride Music Nights**: four themed nights (2, 16, and 30 August, and 6 September) featuring live entertainment inspired by each themed world, DJ sets, and extended ride access until 1:00 AM—ideal for extending family fun under the stars.

Sleep within the story: themed hotels for everyone

At PortAventura World, the experience continues even after the gates close. Its six themed hotels, located just steps from the attractions, offer direct park access and exclusive nighttime entertainment. Highlights include **Hotel Gold River**, with its Wild West-style pools and all-inclusive service; **Hotel Colorado Creek**, the newest addition, and **Hotel PortAventura**, set in a Mediterranean village with direct access to the park. For those wanting to combine park fun with beach relaxation, **Ponient Hotels by Portaventura World**, located nearby, round out a perfect stay for all ages.

A commitment to accessibility and inclusion

The resort has a strong commitment to accessibility and intergenerational well-being. It offers adapted entrances, inclusive signage, priority queues, and trained staff to support diverse visit rhythms. Practical services are also available for all age groups, such as **stroller, wheelchair, and electric scooter rentals**, as well as frequent **rest areas**, all managed from the Information Points. As it celebrates its 30th anniversary, PortAventura World marks over 100 million visits with its eyes on the future: continuing to create shared emotions across generations.
